Hi Misty

The Department was diploid to the location and was not able to locate the fallen tree. Can you advise if this is still an issue.

Thank you,

Conrado- happy new year!

There has been a report of a fallen tree, see email below. Hoping you could contact street services to clean up and remove, thanks.

Subject: fallen tree

good morning, Question, A city tree has fallen, it is not blocking the sidewalk. It has fallen between the sidewalk and the street, between Avenue 56 and 57 on the North side of Figueroa. Should we ask Chrysalis to clear it away or wait for the city to get to it?
The rain has probably caused many trees to branch to fall and I'm sure the city street services will be swamped by the rain. Should we call Chrysalis or wait for the city?
